"Ambassadors for Life"

TERM 2 NEWSLETTER

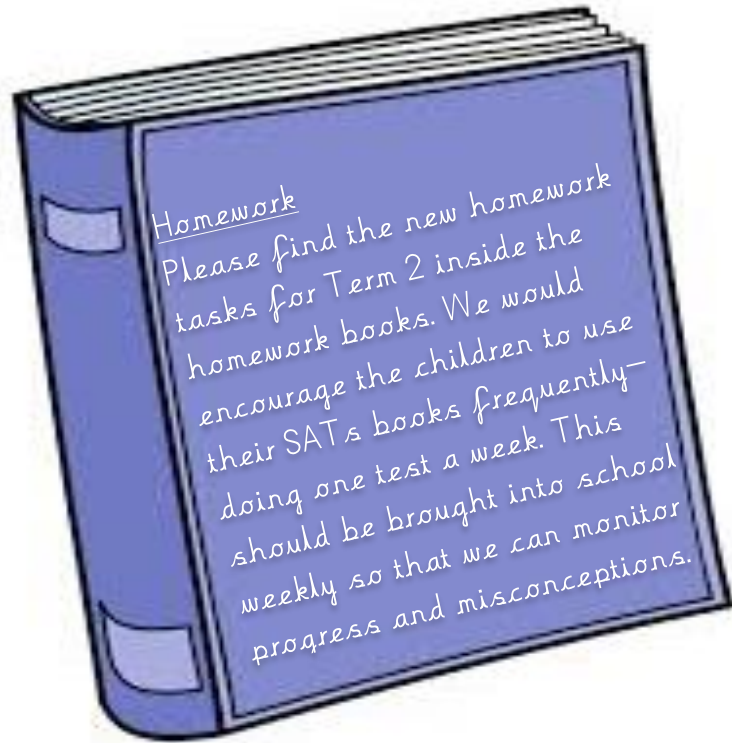

Dear Parents and Carers,

Welcome back we hope you had a lovely half term break

Our next unit of work is based on the Romans; the Roman Empire and what it was like during that time.

Across the term there will be a range of activities in which year 6 will engage with the unit in a practical way.

In Science we will be focusing on Light, including how we see things; how shadows are formed and how light travels.

Wow Day

Our 'WOW' day that we will be having in week 3 will involve children having the opportunity to create their own roman shields and participate in marching drills as the Romans did.

There will be some Art and DT activities in the afternoon also in which we will look at mosaic designs and create our own versions.

Music

Year 6 will be continuing their music lessons. In addition to this, the children will begin preparing for the 'Big Sing' which will take place in December at The De La Warr Theatre in Bexhill. This is a great opportunity to see the children perform in an amazing setting and we guarantee it will get you into the festive mood. Further details to follow.

PE

Buzzards and Kestrels lessons will take place on Thursdays with Premier Sports. Please ensure that they have correct kit in school so that they avoid borrowing one of the school P.E. kits.
