

Glenleigh Park Academy

"Ambassadors for Life"

Dear Parents and Carers,

Welcome back and welcome to Year 3! We hope you have all had a lovely summer holiday. We are very excited about this year's learning and the topics we have planned.

Paragon

Our Paragon unit this term is "Why did people start farming?", and we are focusing on Mesopotamia.

Home learning

Home learning projects will be sent out with your child at the start of every term. We ask that one activity is completed each week alongside spellings and reading. Please also remember to help your children to learn their focus timetables: little and often is best.

Uniform

Please ensure that your child is wearing the correct uniform to school. It is vital that all pieces of your child's clothing is named to prevent items going missing.

Reading

Please listen to your child read every day and encourage them to read independently as much as possible. This is one of the most important ways in which you can help your children with their learning.

Please remember to sign your child's reading record when they have read. The children can earn prizes, stickers and certificates for all of their reading!

Contact

At the start of the day, send your child straight into the classroom. Please try to say goodbye at the school entrance. Should you wish to speak with us, we will be available every day after school. However, if there is something urgent you need to let us know, please send in a note with your child or leave a message at the office.

Our PE sessions are **Monday for both classes with Premier Sports and Thursday with Miss O'Moore and Miss Beeney**. Please make sure that your child has a PE kit in school on those days (including plimsolls or suitable trainers).

Please leave PE kits in school for the duration of the term - they are only worn for a couple of hours each week and do not need washing every week. We will send them home to be washed if they do get grubby.
