

YEAR 3 HOME LEARNING PROJECTS TERM 3

Due in: 1 a week (each Monday)

Total activities to be completed this term: 5

Remembering	Understanding	Applying	Analysing	Creating	Evaluating
Draw an outline of North America and label where the American Indian tribes settled.	Pick an animal or plant that lives in the desert and explain how they survive (write/draw/video)	Create a quiz you could use to test how much someone knows about the desert.	Investigate where you would find other deserts around the World and present your findings.	Create a 3D model of a desert scene.	Write a letter to someone who lives in a desert to tell them about the differences between your lifestyles and ask them any questions that you have.
Learn your target times tables.	Write a list of items that you would need to survive in a desert and explain why you would need them.	Write a story that is set in the desert.	Produce a bar chart of what you spend your time doing in a typical day (e.g. washing/at school/watching tv etc)	Create an American Indian headdress.	Reflect upon the 3 different places that we have learnt about in Paragon so far (Mesopotamia, rainforests, desert) and explain which one you would choose to live in and why.
