

Glenleigh Park Academy

"Ambassadors for Life"

Dear Parents and Carers,

Welcome back! We hope that you had a lovely break. We are looking forward to a good term 6 with some lighter and warmer weather!

Paragon

Our Paragon unit this term is 'How do we live in Britain?' We will be focusing on Britain, its location, global warming and recycling.

Home learning

Home learning projects will be sent out with your child at the start of every term. We ask that one activity is completed each week alongside spellings and reading. Please also remember to help your children to learn their focus times table: little and often is best.

Warm weather

Please ensure that your child is fully equipped for the warmer weather this term. Children should have a water bottle in class, a sun hat and sun cream applied at the start of the day. Children are welcome to bring in sun cream to reapply but it must be named.

Reading

The library is fully up and running now for our children. All children have been issued with a library card and book level. Once the children have read their books, they are able to take quizzes to test their knowledge and be entered into a raffle if they achieve 100%. Please continue to encourage your child to read as much as possible.

Our PE sessions are **Monday PM for both classes with Premier Sport**. Please make sure that your child has a PE kit in school on those days (including plimsolls or suitable trainers).

Due to a number of children not taking part in PE because of lack of PE kit, we will be supplying spare kit so that children are not missing out.

This term both Year 3 classes will be having swimming lessons at King Offa. Children must have a towel, swimming hat, trunks or swimsuit (no bikinis). Children will NOT be able to swim if they do not have a swimming hat.

Miss O'Moore's class – Tuesday PM
Miss Sargent's class – Wednesday PM
