YEAR 6

TERM 2

Welcome back!!

Dear Parents and Carers,

Welcome back to Term 3. We hope you all had a good and relaxing Christmas holiday.

Our next unit of work is based on the Vikings; the Middle Ages and what it was like during that time.

How do we piece together a vanished culture?

Across the term there will be a range of activities in which year 6 will engage with the unit in a practical way.

PE

Buzzards and Kestrels lessons will take place on Thursdays with Mr Lancaster from Premier Sports.

Dates

31st January—Blast Science

13th February University of Brighton
Higher Education Talk

14th February Planetarium visit

Music

Year 6 will be continuing their music lessons with Miss Dalton.

The children performed brilliantly at the De La Warr for the Big Sing and as their teachers, we were very proud of them. They represented our school beautifully. It was great to see so many of you there!

Clubs

STEM Club—Mondays 3.30—4.15 p.m.
with Mr Rundle.

No Running Club until Term 4 which will continue with Mr Green.

Homework

The children will be focusing on SATs tasks. You will be receiving three books with 10 minute tasks a week. We strongly advise that children complete these in preparation for SATs in May. Up until that point their will be SATs type questions in their homework books.

Homework is given out weekly and needs to be back at school every Wednesday. Reading at home is still very important— please encourage your children to do so at least 3 times a week.
